Another Poway Wrestler To Attend Clackamas College

Two-Time State Champion Colt Doyle

Poway, CA – Winning a CIF California state title is not an easy task for a wrestler. The long wrestling season, plus four consecutive weeks of post-season tournaments, can take a toll on the athlete's bodies trying to win an individual state championship.

Two seasons ago, Colt Doyle, made his dream come true when he won a state title at 160 pounds for the Green Mean Machine of Poway High School. Many skeptics said that he was lucky, that the 160-pound weight bracket was not the strongest in the state of California. For Doyle, whatever the doubters said, it didn't matter to him as he was proud to be called a state champ.

This past season he completed an outstanding season by finishing 45-0 and winning his second consecutive state title at 160 pounds; silencing all the naysayers along the way. He won the prestigious Reno TOC, Battle for the Belt and Cerritos TOC tournaments with ease. He was ranked nationally by various websites and was heavily recruited by many Division I schools around the nation. However, Colt, decided to stay on the West Coast and has chosen to attend Clackamas Community College. He will be joined at Clackamas College with current friend and teammate, Andrew Tausch.

Doyle will be scheduled to either wrestle at 157 or 165 pounds in College. Don't be surprised to see Poway have two NJCAA National Champions in the near future in Colt and Andrew.
