DONATIONS ACCEPTED AT CCC CAMPUSES AND FIRE DISTRICT STATIONS

Clackamas Community College and Clackamas Fire District No. 1 are doing their part to keep the community warm this winter.

The two organizations have teamed up for the annual Winter Warming Drive, a clothing drive to help the less fortunate stay safe as the thermostat drops.

“As colder weather arrives, donations are needed to help the community stay warm,” said Lori Hall, the school’s spokeswoman.

The school and fire district are looking for new hats, gloves, socks, scarves and personal hygiene products.

Donations may be dropped off at any Clackamas Fire District No. 1’s 17 fire stations or division office through Nov. 19.

A donation collection barrel is located in the associated student government office at Clackamas Community College’s community center at the Oregon City camps, 19600 Molalla Ave., and at the Harmony Community Campus lobby, 7738 S.E. Harmony Road, in Milwaukie.

The fire district is also accepting cash donations to support the cause.

Checks can be made payable to Clackamas Fire District No. 1, 11300 S.E. Fuller Road, Milwaukie, Or 97022. Attention: Winter Warming Drive.

All donations will benefit Feed the Hungry Inc., and the Clackamas Service Center.
